Looking for streets of gold  
It's not heaven, it's just America  
That place on the map where  
Dreams become reality and  
You can say whatever the hell you want!  
Draw backs, there are many  
One can be poor and rich but can  
Still pray the way they want  
You have the freedom to starve and be homeless  
Of course you can have a say in the government.  
Write your Congressman - They say.  
Yes. I'm very happy to live Here  
and wouldn't want to live anywhere else  
but it's a good idea to  
See the dull side to every penny!
