

New Year's Resolution

Where does all the money go?

It vaporizes _ I'm not one to shop in Bloomies or Saks

I don't even own a car to wax

Not the wisest purchaser all the time

But do try to live one day at a time

Rent, therapy, pills, food and crafts

My survival items have to get me to last

A new road I'm traveling

Bring in lunch as much as you can

Because scrimping from anywhere else just isn't in the plan

4 weddings & 2 vacations and 1 bar mitzvah

will put a few dents in the

"Lets try to save theory....."
